## INTRODUCTION

Asist Cashless increases comfort by using personal RFID – Magnetic cards as electronic wallets for all the money transfers on the casino floor. The money will move faster around your casino, with lesser expenses and increased security. The solution will also bring a positive influence to your revenue and player satisfaction, without incurring in additional hardware costs to the slot machines.

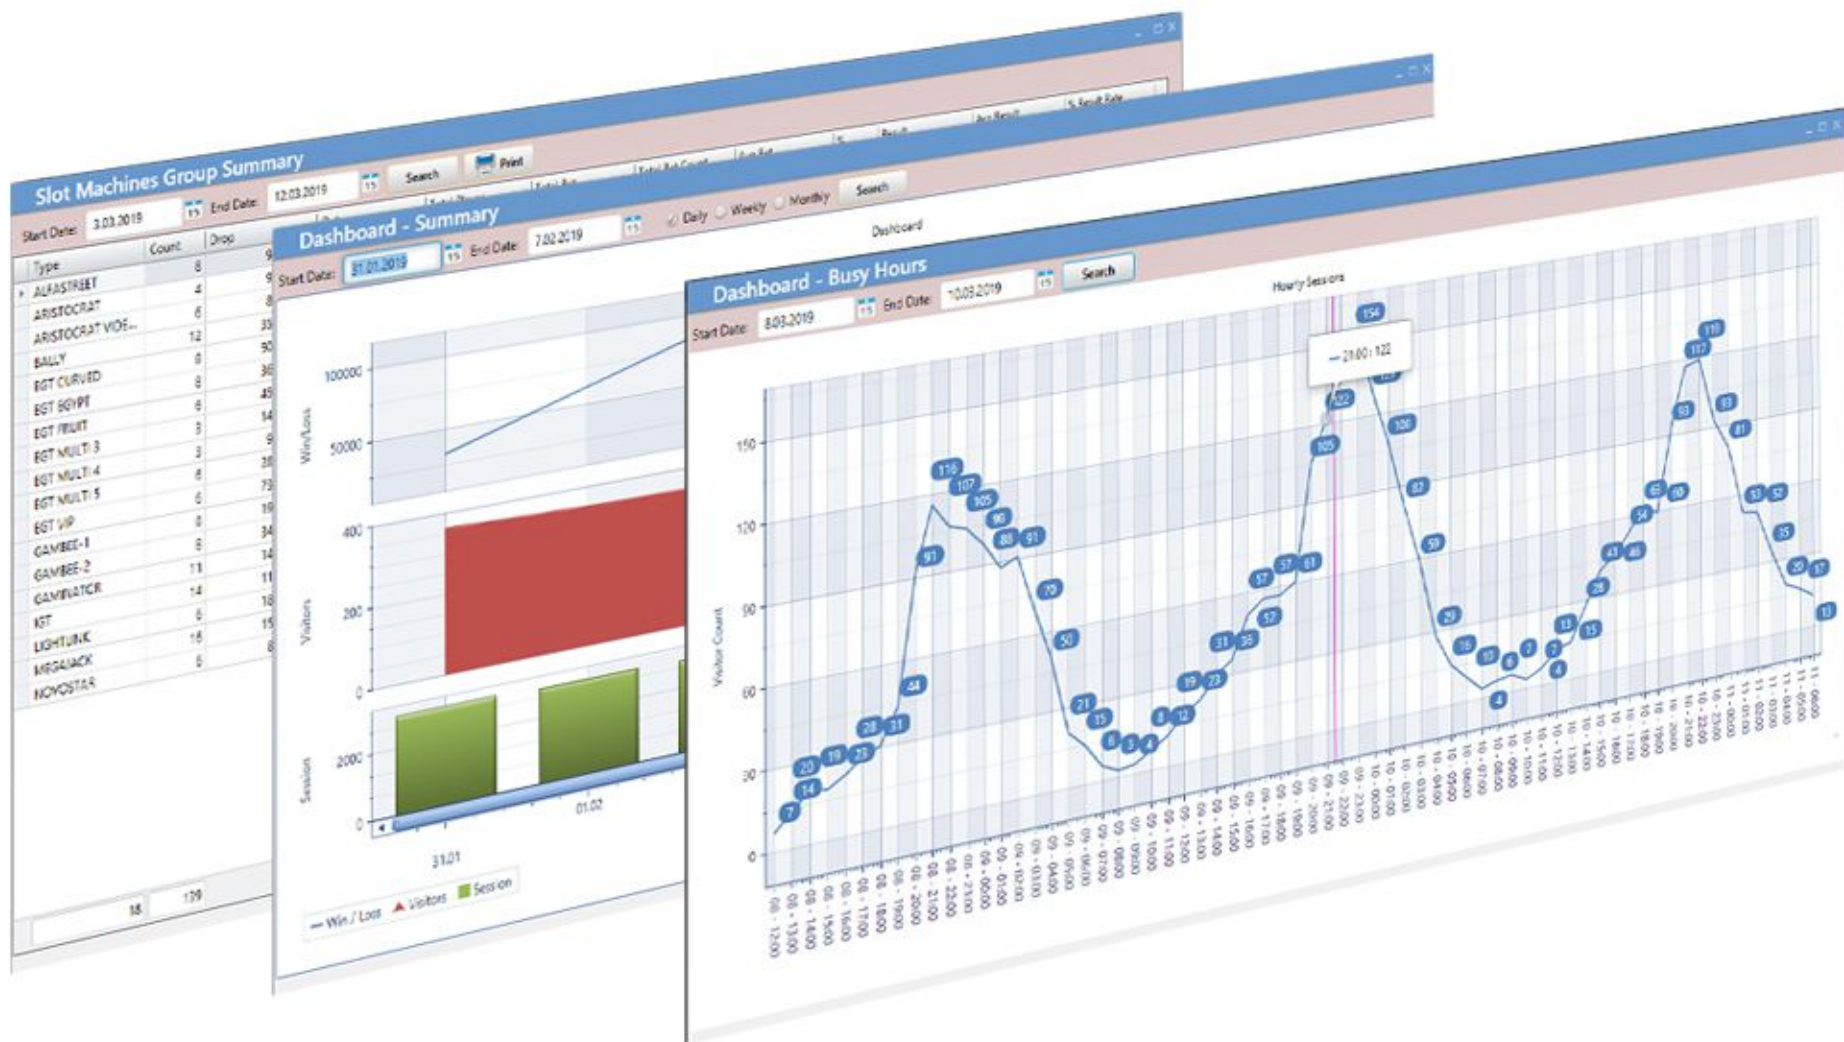

# ACCOUNTING & CAGE

Accounting & Cage module you can get a grip of your accounting and cage processes in your slot department with minimum investment and best ever value for money.
